Three Notch'd Trail: Important Update

Save the date to offer your support and feedback on critical planning for the Three Notched Trail!

On **Monday, October 26th**, at 6:30pm, Albemarle County will be sharing their preferred trail route for the entire 24-mile corridor. The public is invited to view the map and share feedback on which trail section should be implemented.

This is a critical opportunity to recommit your support for the trail and your ideas for how it gets built. What sections should be developed first? What opportunities might arise because of feedback from key stakeholders? Come ready to share why the trail matters to you!

It is essential that we show up and remind county decision makers that there is robust community support for the trail.

Meeting Details:

- October 26th, 2026
- 6:30-8:30pm, with presentation at 6:45
- Henley Middle School
- [5880 Rockfish Gap Turnpike, Crozet, VA 22932](#)

The [Friends of the Three Notched Trail](#) will be handing out free "I Support the Trail" buttons and stickers at the event. And if you haven't yet gotten a Three Notched Trail t-shirt, they're available at Ragged Mountain Running Shop for \$25. Show up sporting your support!

While in-person attendance is the best way to demonstrate you care, you can share input even if you can't join the meeting. An online survey and trail route will be available

on the [County's project website](#) starting the day after the public meeting. The survey will be open until November 15th.
